Past simple regular and irregular verbs online games. Past simple irregular verbs examples. List of simple past irregular verbs. Past simple irregular games.

Get ready to test your English skills with a fun game that focuses on simple past tense and irregular verbs vocabulary! This interactive exercise is perfect for pre-intermediate learners and can be used by both students and teachers. The goal is to review English grammar and vocabulary or simply practice using everyday irregular verbs. Irregular verbs can be tricky when learning English, but this activity will give you a head start with commonly-used irregular verbs. Unlike regular verbs that follow the "ed" or "d" rule, irregular verbs require some extra effort to master. By playing our games, you can practice and review key English vocabulary, grammar, and sentences without feeling bored. Check out our website, www.eslgamesplus.com, for more exciting games to improve your English skills! Are you ready to have fun while improving your English skills? Our interactive games are designed specifically for kids learning English, focusing on mastering irregular verbs and the past simple tense! For pre-intermediate learners, this game is a great way to practice using key irregular verbs like "bought," "saw," "ate," and many more. By playing our Sentence Monkey activity, you can review English vocabulary and grammar in an engaging way! A fun English game to ask questions in the target language is available. The game helps practice using "to be" as an auxiliary verb, followed by prepositions, telling time, partitives, and giving instructions. It also reviews the present progressive tense, various prepositions, the simple past tense, and irregular verbs.
